Eugenia,

Sending your way since I figure Ed/James may be on the call Rob mentions on 29 Nov at 2pm (and you may as well). This is same day as our NBay team meeting and we are schedule to meet until 3pm (maybe we could start a bit earlier or ensure we end by 2pm).

Jen -- of all the meetings we listed during team call this week, doesn't look like this one was on our list : \ oops. I'm not sure who all you want on the call so wanted to pass along our NBay team meeting info.

Regards, beth

Jennifer, Eugenia & Michael:

1. Attached are two power point presentations that outline the CPG's proposal for the Upper 9-miles of the LPRSA. "CSTAG" is a detailed technical presentation and "Mgt" contains many of the same slides but includes less technical detail.
2. The CPG is in the process of completing the updated narrative/proposal and will forward that to EPA noon on Monday, November 27 as discussed with Jennifer.
3. I plan on scheduling the EPA-CPG call for 2 PM on November 29 and will send an invitation to you. I anticipate that several members of the CPG, who have participated in our meetings, are planning to participate in that call.

Please contact me with any questions.

Most importantly, please have a Happy Thanksgiving.

Thank you,

R/
Rob
